Sale Manager:

VAPAH+ Advisor: Jennifer Ligon

Sale Committee: Roger Morris, Lin Jones, Brett Stratton

Mailing Address:

How the heifers were handled:

These heifers are the best siblings of the steers that sold in the Buckingham Cattlemen's Association Feeder Calf sale this past fall. In October, Pelvic measurements and Reproductive Tract Scores tests were taken by Dr. Andy Meadows. All the heifers tested negative for BVD-PI.

These females meet the Virginia Premium Assured Plus Standards.

Breeding:

Heifers were Synchronized and bred AI in early December. All AI pregnancies are listed on the Sire Reference Page. All heifers were ultra-sounded pregnant and fetal sexed by Dr. Andy Meadows in Feb/March.

All heifers sell guaranteed bred on sale day

Heifers are fully vaccinated and dewormed for optimal health and reproductive efficiency. Any heifer that shows heat within 30 days after the sale and is found open by an accredited Veterinarian with written documentation, the consignor will refund 100% of the heifer's purchase price and take possession of the heifer, or the consignor will replace the heifer with another bred heifer per buyer's choice.

If any heifer shows heat within 45 days after the sale and is found open by an accredited Veterinarian with written documentation, the consignor will refund 25% of the heifer's purchase price provided that written notice is sent to the sale committee no later than 60 days after the sale.

***No Consignor is obligated to guarantee any issue after 60 days post sale**

BCA Beef is now available for purchase! Visit our website for a list of vendors!

As a BCA member to qualify for the BCA Beef Program you must follow all membership and feeder calf consignor requirements. These include Beef Quality Assurance (BQA) certification. All beef must be processed at a USDA inspected facility, currently we have a partnership with Seven Hills. We provide standardized cutsheets and free delivery to the BARN freezer from Seven Hills.

The BCA Beef Hub refrigerator/freezer combo is also available for use by other groups and producers who market their own beef.
